Dear Eva,

~~My name is Matt O'Haugherty, and I currently manage a local marketing office in Mid-Cities. I am writing to notify you about an important opportunity for students in your area.~~

**Due to our company's continued growth and expansion, we currently have openings for summer work.** We would like to invite you to apply.

Our starting pay is **\$15.00 base-appt.** You do not need any experience to start with us, and some of the students who work with us receive scholarships.

Vector is an international company established in 1981. We are currently expanding locally and have summer customer sales and service positions available. These positions will offer several unique advantages for those students accepted:

- **Full and part time openings with flexible schedules**
- **\$15.00 base-appt.**
- Training provided - no experience necessary
- Valuable resumé experience for all majors
- May continue during school in the fall
- Conditions apply
- All ages 18+
- Opportunity to advance

We are currently filling positions in Grapevine, Colleyville, Southlake, Keller, and surrounding areas. I encourage you to apply regardless of your major, your current work schedule, your class schedule or your previous work experience.

I look forward to meeting you and explaining the details of the positions. **To schedule a time to apply, please contact our receptionist at (817) 285-0060 anytime between Monday and Friday 9:00 am to 6:00 pm.**

Sincerely,

Matt O'Haugherty  
District Manager
